

Assembly Instructions
 SAS Marine Tubbie
 to Malibu Boat tower
 rev.07/24/2006

1) Mount Base to Malibu tower with 5/16-18 bolts provided, and completely tighten with wrench.

2) Attach Swivel Base to Tubbie mounting plate. Adjust rotations as desired. Fully tighten swivel bolt with hex wrench provided.

3) Slide Swivel Base Slide section into Swivel Base, hold with fingers, move entire assembly to align with holes in the Base.

4) Push hitch pin into hole in bolt to prevent it from backing out.
